

Long Holiday bio

Long Holiday is a powerful grunge two-piece from Melbourne, Australia. They are a fabulously morphed beast, delivering hard and heavy rock. Wailing vocals and hard-hitting drums are all packaged up neatly in heavy-laden punk-fuzz. Lead vocalist Gina Holiday brings the fuzz-fuelled guitar riffs and banshee snarling vocals, while Marc attacks his drums with punchy, head banging energy. Their latest EP "**Sunny Disposition**" is compiled of 6 of their most vicious and dynamic tracks to date.

Long Holiday took their new EP on the road to **UK & Germany** in May 2016, when they did an epic 10-show tour with awesome UK grunge rockers, **Honey**. Turns out the Brits and the Germans LOVE to get their punk on, and they lapped up Long Holiday's sound.

Following on from extensive touring of Australia, the band landed shows in **Java, Indonesia** in November 2017 where crowds lapped up the frenetic pace of their songs. Long Holiday rounded out their 10 date Indonesian tour by playing a show with Indonesia's biggest grunge act, **Navicula**.

Long Holiday released one single from their EP. The frenzied track "**Everybody Likes You**" is available as a free download from their website.

Witness their energetic live shows - they make music that is fun, fast and furious, always appreciated by the crowd. It's all delivered with the sort of infectious spirit that reveals how much they enjoy crafting songs and playing together.

After releasing their debut album "Greetings From..." in 2013 to great reviews and radio play in Australia, the band hit the studio once again and released their first double A-side single, "Insane". The song grabbed the attention of legendary rock producer, **Beau Hill** in the United States (Alice Cooper, Warrant, Ratt) who kindly offered to re-mix and master their new release which was launched in December 2013. You can download this track free from their website.

The band are once again writing and recording, hoping to release their sophomore album in 2019.

Pick up a copy of the EP "Sunny Disposition" via iTunes or Bandcamp. 'Greetings From...' is available now through iTunes and JB HIFI Australia wide.
